WHO WE ARE

Raleigh Youth Choir educates youth in the art and joy of singing through quality instruction and performances. We envision youth from all cultures and backgrounds joining together to experience the power of song. The Raleigh Youth Choir is a 501(c)(3) non-profit business and benefits from the generous support of direct contributions, in-kind contributions, and grant funding.

At Raleigh Youth Choir, we offer each young person a unique experience. Our instructors meet every child exactly where they are and provide specialized instruction, all while providing mentorship and encouragement. We are all about the power of “yes” and having a can-do attitude. Every youth has a voice and those voices are valued.

At Raleigh Youth Choir, we honor each chorister, their background, and the fullness of their potential. We believe in removing the barriers that prevent youth from accessing our programs. We center diversity, equity, and accessibility at the heart of our decision making process. Our approach creates belonging and an opportunity for every chorister to experience the joy that comes from communal singing – achieving inclusion for all.

Our current recruitment, performance and inclusion/mentoring practices reflect our commitment to this belief. We are constantly striving to be better and welcome comments or suggestions at admin@raleighyouthchoir.org.

Raleigh Youth Choir is funded, in part, by the City of Raleigh based on recommendations of the Raleigh Arts Commission. Raleigh Youth Choir is supported by United Arts Council of Raleigh and Wake County, as well as the N.C. Arts Council, a division of the Department of Natural and Cultural Resources.
